Progressive coaches are learning that athletic skills are acquired for football . . . as well as for other sports. The player must LEARN TO CONTROL his body before he is able to BLOCK AND TACKLE.

This film illustrates drills that develop AGILITY AND SPEED as well as FUNDAMENTALS OF LINE PLAY. The variety of drills in this film help to develop linemen OFFENSIVELY and DEFENSIVELY.

We have been using these drills at the UNIVERSITY OF OKLAHOMA for the past several years and since using these drills, our linemen have been from 30% to 40% MORE EFFICIENT in their line play.
